

SPECIAL EQP on Self Promo Samples. Here's a link to the [ACTION SHOTS](#). And here's the [LINK](#) to the one-minute video that shows the most popular shots.

Having waited 2 years for all our Patents to be final, now we're ready to give you complete control over how VersaBands is sold. We DON'T sell direct. Those who order self-promo samples will be our FIRST-CALL referral for follow up on leads sent to VersaBands.

I'm ready to help you with every asset available to make the sale.

Versa-Bands® - 10-Inch Size. Originally invented to stretch across the flat-screen LCD Monitor on Desktop, Laptop, Notebook and Tablet Computers for quick-access to reference notes such as To-Do Lists, Shortcut /Hot-Key reminders, calendars, photos and just about anything to replace nasty STICKY-NOTES that roll up, fall off and leave behind a bunch of adhesive gunk on your monitor. The 10-Inch Versa-Bands will stretch over 35-INCHES and provide the proverbial "1001 USES". Versa-Bands are particularly helpful in banding food containers from Chips to Nuts! Made to last 10 years and withstand **SUB-ZERO** freezing and **BOILING HEAT** in excess of +530F. Other Versa-Bands applications
